

# Brooke, That's Rich (Irlandia - Eurowizja 2022)

Take your mirror off the wall  
Ain't you gettin' bored of your reflection  
I'm tired of dodging all your calls  
You wanna be the centre of attention  
I'm gettin' sick of ya now  
Stop sending flowers  
I'll just burn them all  
you'll cry for hours  
Always putting me down  
Well I got news for you  
Ya say I'm usin' ya now  
That's rich  
When it's coming from you  
That's rich  
Cos I got nothing to prove  
That's rich  
You think i dress up for you?  
That's rich  
BYE BYE fool (ooww!)  
Used to think I need your help  
To feel good turns out i do it better  
Think Maybe you should please yourself  
Cos I am over you, i'll see ya never  
I'm gettin' sick of ya now  
Stop sending flowers  
I'll just burn them all  
you'll cry for hours  
Always putting me down  
Well I got news for you  
Ya say I'm usin' ya now  
That's rich  
When it's coming from you  
That's rich  
Cos I got nothing to prove  
That's rich  
You think i dress up for you?  
That's rich  
BYE BYE fool (ooww!)  
Middle 8  
I think it's funny how you miss  
When you never knew me  
You were a lazy lover  
I moved on to ones that move me  
Loser lose your attitude  
I'm doing good that's on me  
All glowed up, yeah that's on me  
You see me now, you want me  
Bye Bye  
Cause I don't need a lazy lover  
Bye Bye  
No I don't want to meet your mother  
Bye Bye  
Don't cry I'm sure you'll meet another  
And you'll tell her that you love her  
That's rich  
When it's coming from you  
That's rich  
I know all of your moves  
That's rich  
You think i dressed up for you?  
That's rich  
That's rich  
Yeah that's rich  
When It's coming from you

That's rich  
BYE BYE fool (ooww!)
