

# Brooke Valentine, Blah-Blah-Blah

(Intro) (Dirt McGirt)

This is Dirt McGirt

B. Valentine

Yo, baby

You know one thing that I always be letting you know in you heart

You know when I tell I love you and that I care that I do, darlin'

Come on

(Verse 1)

You come to question me and put me on the stand

I deny everything and lie as fast as I can

(Pre-hook)

Ya ask me 21 questions and

I start to sweatin' cause I don't have the answers you need

So you ask me where I was and I say I can't remember

You get mad at me

(Hook)

Boy, you know I love ya

Boy you know I love ya like

La la la la la la la

But you always talkin'

Boy you always talkin' sounds like

Blah blah blah blah blah blah blah

(Dirt McGirt)

Why she keep talking to me this way?

(Verse 2)

Don't ask me where I'm goin' cause I'll never tell the truth

You said you won't get mad if I'm honest with you

(Pre-hook)

Ya ask me 21 questions and

I start to sweatin' cause I don't have the answers you need

So you ask me where I was and I say I can't remember

You get mad at me

(Hook)

Boy, you know I love ya

Boy you know I love ya like

La la la la la la la

But you always talkin'

Boy you always talkin' sounds like

Blah blah blah blah blah blah blah

(Vamp)

You comin' here talkin'

Askin' me questions

Drivin' me crazy

And it don't feel like la la la to me

You makin' me scream

You make me sick

And i just can't handle it

Its blah blah blah to me!

(Dirt McGirt)

Yo, Yo

Hold on, B

Hey listen

All I'm asking you is this one question

You say you love me, girl

But if you really love me, you wouldn't treat me this way  
So, where have you been?  
This is ol' dirty dog talkin' to you, sweetheart  
Don't steer me the blah blah blah's cause I'm not hearin' for it  
So just tell me  
Now you know I'm in love with you  
And you know you my sexy  
So, treat me that way, please?

(Hook)  
Boy, you know I love ya  
Boy you know I love ya like  
La la la la la la  
But you always talkin  
Boy you always talkin sounds like  
Blah blah blah blah blah blah blah

(Vamp)  
You comin here talkin'  
Askin' me questions  
Drivin' me crazy  
And it don't feel like la la la to me  
You makin' me scream  
You make me sick  
And i just can't handle it
