

# Brooklyn Bounce, Bring It

(Female)

I will always remember this summer,  
'Cause the summer was all we had,  
Bring it back...

(Male)

We gotta bring it back.  
Can you feel me?  
Knock your head!  
Bring it back!  
Bring it back!  
Back, we gotta bring it back.

(Female)

You gotta bring it back.  
Remember this summer.  
You gotta bring it back.

(Male)

The real way.

(Female)

I know why I feel so sad,  
'Cause the summer was all we had,  
I wish it for tomorrow,  
To come and bring it back.  
I know it was yesterday,  
But I'll make it anyway,  
I wish it for tomorrow,  
To come and bring it back.

(Male)

We gotta bring it back.  
Bring it back.

(Female)

Bring it back)

(Male)

We gotta bring it back.  
Bring it back.

(Female)

(Female)

Come and bring it back.  
Can you feel me?

You gotta bring it back. (Yesterday)

'Cause the summer was all we had.

I know why I feel so sad,  
'Cause the summer was all we had,

I wish it for tomorrow,  
To come and bring it back.

I know it was yesterday,

Make it anyway,

I wish it for tomorrow,  
To come and bring it back.

Bring it back.
