

# Brooks & Dunn, A Man This Lonely

A man this lonely  
A man this blue  
A man whose world's been torn in two  
Needs somebody  
With a heart that's true  
A man this lonely needs a woman like you

Two arms this empty  
Need someone to hold  
A man this lost needs somewhere to go  
When the nights go on forever  
And the days do too  
A man this lonely needs a woman like you

I'd lost hope  
I was so far down  
Here you come turning all that around  
I'd come to think  
Of love as a lie  
All that's on my mind now  
Is you by my side

A man this lonely  
A man this blue  
A man whose world's been torn in two  
Needs somebody  
With a heart that's true  
A man this lonely needs a woman like you  
A man this lonely needs a woman like you
