

Brooks & Dunn, My Maria

My Maria don't you know I've come a long, long way
I been longin' to see her
When she's around she takes my blues away
Sweet Maria the sunlight surely hurts my eyes
I'm a lonely dreamer on a highway in the skies

Maria, Maria I love you

My Maria there were some blue and sorrow times
Just my thoughts about you bring back my piece of mind
Gypsy lady you're a miracle work for me
You set my soul free like a ship sailing on the sea
She is the sunlight when skies are grey
She treats me so right lady take me away

My Maria
Maria I love you
My Maria
Maria I love you

My Maria
Maria I love you
