

# Brotha Lynch Hung, Refuce 2 Looze

Chorus(Lynch and D-Dubb)4x

I re-fuse to lose

F\*\*k them 22's

I got an AP 10 and a throwaway Tech 9

So you know you can't f\*\*k with mine

(Verse1)

(Lynch)

If I was standing in the dark letting my nine spark

(D-Dub)

Maybe in the morning, motherf\*\*kers might feel me yet

(Lynch)

It's that nine tech nigga that got them motherf\*\*kers tore up

As I smash of in a seven deuce cut, you holding your gut

Talking about

(D-Dub and Lynch)

What the f\*\*k you smoking on?

(Lynch)

All dome as the chronics got me gone

Nigga it's on

On 'til the slugs come out

(D-Dub)

At night I do my murder red rum so tight

(Lynch)

I'ts the third strike nigga

So now I'm aiming up at your dome

'Bout to make your brain split and hit the Fleetwood Brome

I'm like Richard Chase, mixed with Al Capone

If you want some rippgut shit nigga

Yeah, I got it sewn

So bone to the crib, or get your wig split fool, with the tech chrome

And say the alphabet backwards fast or find you a brand new dome

A criminal minded nigga that gots tefs in his nine

So head to the East side, 'cause it's red rum time, nigga

Chorus 4x

(Verse2)

Nigga, it's that-Sac of Indo-Killaifornia State of mind

Where niggas put their gangster gear on, and bend corners

In a Chev 69

Wire rims

You can't see

With their neighborhood flags and their black Carhart beanie

I'm like Genie

As I swoop through the hood and get up to no good

And I wish you would

Test my tech, 'cause nigga, it loves to take out necks

And empty backs out, so I max out

350 on the black top

More smoke than chronic smoking

Loced out sherm, classic perm

In my ashtray, there's always a roach

Hit the left lane in case one times approach

I got, 5 warrants and some '89 tags

17 in the clip of my, auto mag

I'ts sad

I gotta watch my back, 'cause these niggas wanna throw me up in a black

leather sack, and throw me over their back

But f\*\*k that

Why you think I got extended clips

'Cause I'm so high, most of the time

I just can't miss, nigga

Chorus 4x
