

Bruce Dickinson, Afterglow Of Ragnarok

Tekst piosenki 'Afterglow Of Ragnarok' od Bruce Dickinson. Premiera 1 grudnia 2023r. I am your v

The one you do not know
I am the truth that's playing
Hide and seek
And I will not be free
I cannot choose to be
'Til my creator takes the chains off me
All is come to nothing
All will burn in hell
Now the bridge has broken
All is come undone

I cross the shining seas
Eyes of creatures follow me
Moonlight guides us
On A steady course
Afterglow of Ragnarok
Becomes the shadow of the dawn
From the night the sun
Will rise again, again

For me, there's no escape
No opening of the gate
Incarnate freedom
Just a hopeless dream
I read your silent mind
I feel your hate refined
And the burning will begin
In the circle of lust
All has come to nothing
Saved but you can't run
Now the bridge has broken
All is come undone

I cross the shining seas
Eyes of creatures follow me
Moonlight guides us
On A steady course
Afterglow of Ragnarok
Becomes the shadow of the dawn
From the night the sun
Will rise again, again

All has come to nothing
The world is only dust
Now the bridge is broken
There's a fire in the ice

All is come to nothing
All is burned in hell
Now the bridge is broken

I cross the shining seas
Eyes of creatures follow me
Moonlight guides us on a steady course
Afterglow of Ragnarok
Becomes the shadow of the dawn
From the night the sun
Will rise again, again
