

# Bruce Hornsby, Look Out Any Window

There's a man working in a field  
Sees the rain and it's burning  
He's saying this can't be real  
As he sees the color  
Of the fields turning

Far away, the men too busy  
Getting rich to care  
Close their eyes and  
Let it all out into the air  
Hoping nobody else would care

Look out any window  
Look out any open door  
Look out any window  
To see what's going on  
In the air around you

There's a man working on a boat  
Pulling lines from the water  
Just trying to stay afloat, ohh  
Filling the nets is getting harder

Far away, they bend  
The rules so secretly  
Close their eyes and  
Let it all out into the sea  
Hoping nobody else would see

Look out any window  
Look out any open door  
Look out any window  
To see what's going on  
In the air around you

Far away, too many leaders  
Let them get their way  
Close their eyes and  
Let it all out into the bay  
Say they'll clear it up another day

Look out any window  
Look out any open door  
Look out any window  
To see that's going on  
In the air around you

(Look out)  
Look out for the big boys  
Telling you everything  
They're gonna do

(Look out)  
Look out for the fat cat builder man  
Turning this into a waste land

(Look out)  
Look out for the back room boys  
That say the smoke is gonna blow away

(Look out)  
Look out for the men  
Who say it's okay sitting  
In a building far away
