Bruce Springsteen, Ain't Got You

I got the fortunes of heaven in diamonds and gold I got all the bonds baby that the bank could hold I got houses cross the country honey end to end And everybody buddy wants to be my friend Well I got all the riches baby any man ever knew But the only thing I aint got honey I aint got you

I got a house full of Rembrandt and priceless art And all the little girls they wanna tear me apart When I walk down the street people stop and stare Well youd think I might be thrilled but baby I dont care Cause I got more good luck honey than old King Farouk But the olny thing I aint got baby I aint got you

I got a big diamond watch sittin on my wrist I try to tempt you baby but you just resist I made a deal with de devil babe I wont deny Until I got you in my arms I cant be satisfied

I got a pound of caviar sitting home on ice
I got a fancy foreign car that rides like paradise
I got a hundred pretty women knockin down my door
And folks wanna kiss me I aint even seen before
I been around the world and all across the seven seas
Been paid a kings ransom for doin what comes naturally
But Im still the biggest fool honey this world ever knew
Cause the olny thing I aint got baby I aint got you
