

# Bruce Springsteen, Blinded By The Light

Madman drummers bummers and Indians in the summer with a teenage diplomat  
In the dumps with the mumps as the adolescent pumps his way into his hat  
With a boulder on my shoulder feelin' kinda older I tripped the merry-go-round  
With this very unpleasing sneezing and wheezing the calliope crashed to the ground  
Some all-hot half-shot was headin' for the hot spot snappin' his fingers  
clappin' his hands

And some fleshpot mascot was tied into a lover's knot with a whatnot in her hand  
And now young Scott with a slingshot finally found a tender spot and throws his lover in the sand  
And some bloodshot forget-menot whispers daddy's within earshot save the buckshot turn up the b  
And she was blinded by the light. Cut loose like a deuce  
Another runner in the night. Blinded by the light  
She got down but she never got tight, but she'll make it alright

Some brimstone baritone anticyclone rolling stone preacher from the east  
He says: "Dethrone the dictaphone, hit it in its funny bone, that's where they expect it least&q  
And some new-mown chaperone was standin' in the corner all alone watchin' the young girls dance  
And some fresh-sown moonstone was messin' with his frozen zone to remind him of the feeling of r

Yeah he was blinded by the light. Cut loose like a deuce  
Another runner in the night. Blinded by the light  
He got down but she never got tight, but he's gonna make it tonight

Some silicone sister with her manager's mister told me I got what it takes  
She said I'll turn you on sonny to something strong if you play that song with the funky break  
And go-cart Mozart was checkin' out the weather chart to see if it was safe to go outside  
And little Early-Pearly came in by her curly-wurly and asked me if I needed a ride  
Oh, some hazard from Harvard was skunked on beer playin' backyard bombardier  
Yes and Scotland Yard was trying hard, they sent a dude with a calling card, he said, do what you  
Well I jumped up, spit in the air, fell on the ground, asked wich was the way back home  
He said take a right at the light, keep going straight until right, and then boy you're on your own  
And now in zanzibar a shootin' star was ridin' in a side car hummin' a lunar tune  
Yes, and the avatar said blow the bar but first remove the cookie jar, we're gonna teach those boys  
And some kidnapped handicap was complaining that he caught the clap from some mousetrap he  
Well I unsnapped his skull cap and between his ears I saw a gap but he'd figured he'd be all right

He was just blinded by the light. Cut loose like a deuce  
Another runner in the night. Blinded by the light  
Mama always told me not to look into the sights of the sun  
Oh but mama that's where the fun is
