## Bruce Springsteen, Jeanny Needs A Shooter

I was born down by the river Where the dirty river flows And the cool wind cut through me It cut right through my clothes And the anger and the yearning Like fever in my veins Set the fire burning

She came down from knightstown With her hands hard from the line From the first time I laid eyes on her I knew that she's be mine Her father was a lawman He swore he'd shoot me dead 'cause he knew I wanted jeannie And I'd have her like I'd said

Jeannie needs a shooter, shooter like me Jeannie needs a shooter Jeannie needs a shooter, shooter on her side Jeannie needs a shooter Jeannie needs a shooter Jeannie needs a shooter

We met down by the river

On the final day in may
And when I leaned down to kiss her
She did not turn away
I drew out all my money
And together we did vow
To meet that very evening
And to get away somehow

Jeannie needs a shooter, shooter like me Jeannie needs a shooter Jeannie needs a shooter, shooter on her side Jeannie needs a shooter Jeannie needs a shooter Jeannie needs a shooter

The night was cold and rainy Down by the borderline I was riding hard to meet her When a shot rang out behind As I lay there in the darkness With a pistol by my side Jeannie and her father Rode off into the night

Jeannie needs a shooter
