

# Bruce Springsteen, Leah

I wanna build me a house, on higher ground  
I wanna find me a world, where love's the only sound  
High above this road, filled with shadow and doubt  
I want to shoulder my load, and figure it all out  
With Leah

I walk this road, with a hammer and a fiery lantern  
With this hand I've built, and with this I've burned  
I wanna live in the same house, beneath the same roof  
Sleep in the same bed, search for the same proof  
As Leah

I got somethin' in my heart, I been waitin' to give  
I got a life I wanna start, one I been waitin' to live  
No more waitin', tonight I feel the light I say the prayer  
I open the door, I climb the stairs...
