

# Bruce Springsteen, Nothing Man

I don't remember how I felt  
I never thought I'd live  
To read about myself  
In my hometown paper  
How my brave young life  
Was forever changed  
In a misty cloud of pink vapor

Darlin' give me your kiss  
Only understand  
I am the nothing man

Around here everybody acts the same  
Around here everybody acts like nothing's changed  
Friday night club meets at Al's Barbecue  
The sky is still the same unbelievable blue

Darlin' give me your kiss  
Come and take my hand  
I am the nothing man

You can call me Joe  
Buy me a drink and shake my hand  
You want courage  
I'll show you courage you can understand  
Pearl and silver  
Restin' on my night table  
It's just me Lord, pray I'm able

Darlin' with this kiss  
Say you understand  
I am the nothing man  
I am the nothing man
