Bruce Springsteen, Pony Boy

Pony boy pony boy Wont you be my pony boy Giddy-up giddy-up giddy-up whoa My pony boy

Ride with me ride with me Wont you take a ride with me Underneath the starry sky My pony boy

Oer the hills and through the trees Well go ridin you and me Giddy-up giddy-up giddy-away My pony boy

Down into the valley deep Neath the eaves we will sleep Sky of dreams up above My pony boy
