Bruce Springsteen, The Streets Of Philadelphia

I was bruised and battered and I couldnt tell What I felt I was unrecognizable to myself I saw my reflection in a window I didnt know My own face Oh brother are you gonna leave me Wastinaway On the streets of philadelphia

I walked the avenue till my legs felt like stone I heard the voices of friends vanished and gone At night I could hear the blood in my veins Black and whispering as the rain On the streets of philadelphia

Aint no angel gonna greet me Its just you and I my friend My clothes dont fit me no more I walked a thousand miles Just to slip the skin

The night has fallen, Im lyinawake I can feel myself fading away So receive me brother with your faithless kiss Or will we leave each other alone like this On the streets of philadelphia
