

Bruce Willis, Secret Agent Man/James Bond Is Ba

(P.F. Sloan / S. Barri)

There's a man who leads a life of danger
To everyone he meets he stays a stranger
With every move he makes as one more chance he takes
Odds are he won't live to see tomorrow

Secret agent man, secret agent man
They've given you a number and taken away your name

Beware of pretty faces that you find
A pretty face can hide an evil mind
Ah, be careful what you say
Or you'll give yourself away
Odds are you won't live to see tomorrow

Secret agent man, secret agent man
They've given you a number and taken away your name

----- lead guitar / Sax -----

Secret agent man, secret agent man
They've given you a number and taken away your name

Swingin' on the Riviera one day
And then layin' in the Bombay alley next day
Oh no, you let the wrong word slip
While kissing persuasive lips
The odds are you won't live to see tomorrow

Secret agent man, secret agent man
They've given you a number and taken away your name

Secret agent man
