Blow the dice for me
Put your pretty ass lips together blow it real nice for me
I'm tryna hit a lick
And slide to the dealership in the morning
Why?
Papa need a brand new foreign
Hot hand
They not gon believe me but check the recording

Just touched down
Up a few thou
Big booty hoes meet me in the pent house
All full of liquor
Cash for the strippers
It's gon get weird tonight
So no pictures!

Pretty mother*** with some money to blow
I m about to but Las Vegas this roll
I m about to but Las Vegas this roll
Coem on to 777
Let's go!
