1, 2, make you wanna 'Uuu!'

Yes, yes, ok, ok, ok, ok, now!
Have you ever been with a player
Take you downtown where they treat me like the mayor
Take you to the crib we can take it upstairs

(What's upstairs?)
Imma show you later!

Don't need a spatula everything's catered, extra flavor
Go head, sprinkle some truffle on your mashed potatoes
I'm tryna love you
Is you gon love me back?
You only get what you give
Aint you heard of that?

Look here
I don;t ask for much
You know what i want
I just want what's fair
I will bring fre and desire, baby
All you gotta do is
Met me halawy there!
