

Bruno Mars, Anderson .Paak, Silk Sonic, Leave the Door Open

Waht you doin'
Where you at
You got plans
Don't say that

I am sippin wine
In a robe
I look too good
To be alone

My house clean
My pool warm
Just shavedd
(smooth like a newborn)

We should be dancing
Romancing
In the east wing and west wing
Oh this mission, what's happening

I ain't playin' no games
Every word that i say
Is coming straight form the heart
Soi f you tryna lay on these arms

Imma leave the door open
Imma leave the door open
Imma leave the open, girl
Imma leave the door open hopin'

That you feel the way i feel
And you want me like i want you tonight, baby
Tell me that you're coming through

You're so sweet
So tight
I won't bite
Unless you like
If you smoke
(what you smoke?)
I got that haze
(puple haze)
And if you're hungry girls, i got filets

Baby, don't keep me waiting
There's so much love we could be making
I am talking kissing, cudding
Rose pedals in the bathtube
Lets jump in, ts bubblin

I ain't playin' no games
Every word that i say
Is coming straight form the heart
Soi f you tryna lay on these arms

Imma leave the door open
Imma leave the door open
Imma leave the open, girl
Imma leave the door open hopin'

That you feel the way i feel
And you want me like i want you tonight, baby
Tell me that you're coming through

I need you baby
I gotta see you babe
Girl, i am tryna give you this

Imma leave the door open
Imma leave the door open
Imma leave the open, girl
Imma leave the door open hopin'

That you feel the way i feel
And you want me like i want you tonight, baby
Tell me that you're coming through
