

Bruno Mars, Anderson .Paak, Silk Sonic, Smokin

Wait a minute this love started out
So tender, so sweet
But now she got me
Smokin out the window

Must've spent 25, 45 thousand up in Tiffany
Got her badass kids running round my whole crib
Like it's chuck e. cheese
Put me in a jam with her ex-man in the UFC
I can't believe it
I am in disbelief
This bitch got me payin her rent, payin for trips,
Damonds on her neck,
Diamonds on her wrists
And here I am all alone
I'm so cold, I'm so cold, you got me out here

Smoking out the window
Saying: „ how could you do this to me?”
I though that girl belonged to only me
But I was wrong
Cause she belong to everybody, everybody

Just the other night she was grippin on me tight
Screamin Hercules!
Got me in the club looking for a new love someone
Help me please (
Baby why you doin this, why you doin this to me, girl
Not to be dramatic but I wanna die
This bitch got me paying her rent,
Paying for trips,
Diamonds on her neck,
Diamonds on her wrists
And here I am all alone
I'm so cold, I'm so cold.
You got me out here

Smoking out the window
Saying: „ how could you do this to me?”
I though that girl belonged to only me
But I was wrong
Cause she belong to everybody, everybody

Look here, baby
I hop you find whaever it is that you need
But i also hope that you trifling ass is walking around barefoot in these streets
Lookout!

Girl , it breaks my heart tat you're aon't right here with me
Now i gotta giv you back to the city
You got me!

Smoking out the window
Saying: „ how could you do this to me?”
I though that girl belonged to only me
But I was wrong
Cause she belong to everybody, everybody
