

Brutha, Make You Love It

Yeah introducing brutha lets go

Oh yeah yeah oh yeah yeah yeah oh yeah yeah yeah oh yeah yeah yeah yeahhh

[Verse:]

Ya say you cant be my side chick

But I been blowin up ya sidekick

Tryna get at you wants a grown man

But you frontin and ya boy cant it

You say I'm just too much to handle

Cause all the girls wanna ride in the lambo

But none of the hold a candle to you

So what are you gonna do

[Chorus:]

Why we even playin like this

Why you gotta be on that ish

when we both want this

I can make you love, I can make you love it

Yeah I know you want it

gonna make you love it yeah yeah yeah

When the truck pull up out front

be ready dont stop when the horn goin honk like

beep beep beep beep beep beep

[Verse:]

I be lookin at you and you be lookin at me

But you playin hard to get

you need to holler at me

I got a pocket full of green

In the pocket of my jeans

hop in oh girl I can give you need

[Chorus 1x]

[Bridge:]

Just wanna please you

Make you feel like you've never felt

Say I need you

And I dont want no one else

But you

I want you

I need you

So tell me what I gotta do

[Chorus 2x:]
