

Bryan Adams, 18 Till I Die

{Eighteen till I die}

I wanna be young, the rest of my life

Never say no, try anything twice

Till the angels come, and ask me to fly

I'm gonna be eighteen, until I die

Eighteen till I die

Can't live forever, it's wishful thinkin'

Who ever said that, must have been drinkin'

Don't wanna grow up, I don't see why

I couldn't care less if, time flies by

Eighteen till I die

Eighteen till I die

It sure feels good, to be alive

Someday I'll be eighteen goin' on fifty five

Eighteen till I die

Alright

Anyway

I just wanna say

Why bother with what happened yesterday?

An' it's not my style, I live for the minute

If you wanna stay young, get both feet in it

Eighteen till I die

A little bit of this, a little bit of that

Little bit of everything, put you right on track

It's not how you look, it's what you feel inside

I don't care when, I don't need to know why

Eighteen till I die

Eighteen till I die

It sure feels good, to be alive

Someday I'll be eighteen goin' on fifty five

Eighteen till I die

There's one thing for sure

I'm sure gonna try

Don't worry about the future

Forget about the past

We're gonna have a ball yea

Gonna have a blast

Gonna make it last

Eighteen till I die

Eighteen till I die

I'm gonna be eighteen till I die

Eighteen till I die

Eighteen till I die

Eighteen till I die

Eighteen till I die

{Ladies and Gentleman, Angela Ann from Julia Art School}
