

Bryan Adams, I Ain't Worth Shit Without You

I can't eat - I can't sleep
Still wearin' the same clothes I wore last week
I look around but I've only got me to blame

Ain't made the bed since you last slept in it
Ain't showered or shaved but any minute I'll be
Kickin' butt - I'll be back on my feet again

Cuz there's a hole where my heart used to be
You know I'd take you back - if you'd take me
One thing I know to be true
I ain't worth shit without you

No call - no letter
You're the better half - of somethin' that used to be better
I'm standin' here and there's a shadow hangin' over me
Can't u see?

That there's a hole where my heart used to be
You know I'd take you back - if you'd take me
Most days I don't have a clue
I ain't worth shit without you

I'm not what I appear to be
I'd still be with you if it was up to me
I might have bit off more than I can chew
Now I don't know what to do
