18 'til I Die

(I Wanna Be) Your Underwear

I wanna be your t-shirt when i

t's wet - wanna be the

shower when you sweat

I gotta to be the tattoo on your skin - ya lemme be your

bed baby - when you climb in

I wanna be the sheets when you sleep - lemme be the

secrets that you keep

I gotta be the spoon - ta stir your cream

I wanna to be the one that really makes you scream

I wanna be - your lipstick when ya lick it

I wanna be - your high heels when ya kick it

I wanna be - your sweet love babe - ya when you make it

From your feet up to your hair - more than anything I swear

I wanna be - your underwear

I wanna be the itch that you scratch - wanna be your
chair when you relax

I got to be your razor when you shave

Wanna be the habit that really makes you crave

I wanna be - your hot tub - when you're dippin'

I wanna be - your bathrobe - when you're drippin'

I wanna be - your cocktail baby - when you're sippin'

I just wanna be right there - more than anything I swear

I wanna be - your underwear

Wanna be your sleepin' bag - baby slip inside

Let me be your motorcycle n' take ya for a ride -
alright

I wanna be - your hot sauce - ya when you're cookin'

I wanna be - your sunglasses - hey good lookin'

I wanna be - wanna be the one - ya stick your hook in'

I just wanna be right there - more than anything I swear

Oh ya I wanna be - your underwear
