

Bryan Adams, I Will Always Return

I hear the wind call your name
It calls me back home again
It sparks up the fire - a flame that still burns
Oh it's to you I'll always return
I still feel your breath on my skin
I hear your voice deep within
The sound of my lover - a feeling so strong
It's to you - I'll always belong

Now I know it's true
My every road leads to you
And in the hour of darkness darlin'
Your light gets me through

Wanna swim in your river - be warmed by your sun
Bathe in your waters - cos you are the one
I can't stand the distance - I can't dream alone
I can't wait to see you - Ya I'm on my way home

Oh I hear the wind call your name
The sound that leads me home again
It sparks up the fire - a flame that still burns
Oh, it's to you - I will always return
