## Bryan Adams, Inside Out

the biggest lie you ever told - your deepest fear 'bout growin' old the longest night you ever spent - the angriest letter you never sent the boy you swore you'd never leave - the one you kissed on new years's eve the sweetest dream you had last night -- your darkest hour, your hardest fight

i wanna know you - like i know myself i'm waitin' for you - there ain't no one else talk to me baby - scream and shout i want to know you - inside out i wanna dig down deep - i wanna lose some sleep i wanna scream and shout - i wanna know you inside out i wanna take my time - i wanna know your mind ya know there ain't no doubt - i wanna know you inside out

the saddest song you ever heard - the most you said with just one word the loneliest prayer you ever prayed - the truest vow you ever made what makes you laught, what makes you cry what makes you mad, what gets you by you highest hight, your lowest low - these things I want to know

i wanna know you - like i know myself i'm waitin' for you - there ain't no one else talk to me baby - scream and shout i want to know you - inside out i wanna dig down deep - i wanna lose some sleep i wanna scream and shout - i wanna know you inside out i wanna take my time - i wanna know your mind ya know there ain't no doubt - i wanna know oyu inside out i wanna know your sould - i wanna lose control c'mon n' let it out - i wanna know you inside out ya gotta dig down deep - i wanna lose some slieep i wanna scream and shout - i wanna know oyu inside out tell me everything...
