

# Bryan Adams, Open Road

I'm sitting at the wheel  
I got a green light  
Not afraid of nothin' cuz heart and soul  
I'm built for life  
So let the engine roar  
Push the pedal down  
I want the white lines on the highway  
To lead me out of town  
I'm rolling on and on and on  
Who knows where I'm goin'?  
Life is an open road - it's the best story never told  
It's an endless sky - it's the deepest sea  
Life is an open road to me  
Life is an open road to me  
I got headlights to guide me thru the night  
I got the window down and the radio playing  
It makes me feel alive
