

Bryan Adams, Roll With The Punches

Bryan Adams prezentuje piosenkę "Roll With The Punches" (premiera 7 lutego 2025 r.).

Rollin' (rollin') - rollin' with the punches
Rollin' (rollin') - rollin' with the punches

Sometimes life can hit ya hard
Might even leave you scarred
You wanna find out who's your friend?
You may never know - until the bitter end

You got ta roll with the punches - take it on the chin
Roll with the punches - might lose before you win
n' get knocked down - to the ground
But that don't change a thing
Roll with the punches - and get back up again
Rollin' (rollin') - rollin' with the punches
Rollin' (rollin') - rollin' with the punches

Sometimes you need to fight
n' stand up for what you think is right
But there's some things u never get to choose
Like when you ain't nothing you got nothing left to lose

You gotta to roll with the punches - that's what you gotta do
Roll with the punches - that's what I say to you
You might be down - you might be out
you might be broke in two
Roll with the punches - if ya wanna make it thru
Rollin' (rollin') - rollin' with the punches
Rollin' (rollin') - rollin' with the punches
Rollin' (rollin') - rock and rollin'
