## Bryan Adams, Tears Are Not Enough

As every day goes by How can we close our eyes Until we open up our hearts

We can learn to share And show how much we care Right from the moment that we start

Seems like overnight We see the world in a different light Somehow our innocence is lost

How can we look away 'Cause every single day We've got to help at any cost

We can bridge the distance Only we can make the difference Don't ya know that tears are not enough

If we can pull together We could change the world forever Heaven knows that tears are not enough

It's up to me and you To make the dream come true It's time to take our message everywhere

C'est l'amour qui nous rassemble D'ici ?l'autre bout du monde Let's show them Canada still cares You know that we'll be there

If we should try together you and I Maybe we could understand the reasons why If we take a stand every woman, child and man We can make it work for God's sake lend a hand
