Bryan Adams, The Best Was Yet To Come

Just a small town girl in the city lights
The best was yet to come
Then lonely days turned to endless nights
The best was yet to come

How were you to know That you would be the lucky one Ain't it funny how time flies When the best is yet to come

You can cry yourself to sleep at night You can't change the things you've done You had it there then it slipped away Yeah you left the song unsung

Even through your tears I never saw you come undone What's so good about goodbye When the best was yet to come

I find myself thinkin' about yesterday When you were and livin' in a dream In the moment that it takes You find you made your first mistake Like the setting sun...
You turn around it's gone

Just a small town girl who had it made Or so the story goes She had it there then it slipped Oh - how was she to know

Even through her tears
I never saw her come undone
Ain't it funny how time flies
When the best is yet to come
What's so good about goodbye
When the best was yet to come
