

Bryan Adams, War Machine

Wanna bite the hands that feeds me
Wanna watch them die
Set the demons free and watch 'em fly
Strike down the one who leads me
Gonna take his place
Gonna crucify the human race

Better watch out' - cuz I'm a war machine
Better watch out' - cuz I'm a war machine

Take the reins of power and seize them
Draw the battle lines
Armageddon's just a matter of time
Tear down the voice of reason
Let the arrows fly
Your freedom's just a state of mind

Better watch out' - cuz I'm a war machine
