

# Bryan Adams, Wastin' Time

Could have been a winner,  
Should have taken me.  
It was so damn cold I shoulda held ya  
'Cause you were shakin' me.  
Well, I almost had a question,  
When she led me home,  
I spent too much time for one night  
Bein' alone.  
She said you're wastin' time,  
You're takin' a chance on me.  
You're wastin' time,  
You're takin' a chance on me.  
Should have got the rambler,  
Back seat movie for two.  
I spent too much time for one night  
Bein' alone with you.  
Should have seen her daddy  
'Case he said she had to go.  
I spent too much time for one night  
Bein' all alone.  
She said you're wastin' time,  
You're takin' a chance on me.  
You're wastin' time,  
You're takin' a chance on me.
