

# Bryan Ferry, Fool for love

In days gone by  
There was a king  
A fool for love  
And all it brings  
So high and wise  
Could read your mind  
A fool for love  
And love is blind  
A crowded street  
An empty train  
A fool for love  
You cry in vain  
A fool for love  
A fool for love  
A fool for love  
In days gone by  
There was a queen  
A fool for love  
And all it means  
Red ruby lips  
Don't touch me eyes  
A fool for love  
And love is blind  
A fool for love  
A fool for love  
A fool for love  
like flowers in the rain  
I'm twisted up inside  
I'll never be the same  
I hear the same old lines  
you played me for a fool  
you really hurt my pride  
A fool for love  
A fool for love  
A fool for love  
In days gone by  
There was a king  
A fool for love  
And all it brings  
So high and wise  
Could read your mind  
A fool for love  
And love is blind
