

# Bryan Ferry, It's my party

Nobody knows where my Johnny has gone  
But Judy left the same time  
Why was he holding her hand  
When hes supposed to be mine  
Its my party and Ill cry if I want to  
Cry if I want to, cry if I want to  
You would cry too, if it happened to you  
Play all my records, keep dancing all night  
But leave me alone for a while  
'Til Johnnys dancing with me  
I have no reason to smile  
Its my party and Ill cry if I want to  
Cry if I want to, cry if I want to  
You would cry too if it happened to you  
Judy and Johnny just walked through that door  
But like a queen with her king  
Oh, what a birthday surprise  
Judys wearing his ring  
Its my party, and Ill cry if I want to  
Cry if I want to, cry if I want to  
You would cry too if it happened to you
