

Bryan Ferry, It's my party

Nobody knows where my Johnny has gone
But Judy left the same time
Why was he holding her hand
When hes supposed to be mine
Its my party and Ill cry if I want to
Cry if I want to, cry if I want to
You would cry too, if it happened to you
Play all my records, keep dancing all night
But leave me alone for a while
'Til Johnnys dancing with me
I have no reason to smile
Its my party and Ill cry if I want to
Cry if I want to, cry if I want to
You would cry too if it happened to you
Judy and Johnny just walked through that door
But like a queen with her king
Oh, what a birthday surprise
Judys wearing his ring
Its my party, and Ill cry if I want to
Cry if I want to, cry if I want to
You would cry too if it happened to you
