

Bryan Ferry, Lover, Come Back To Me

The sky was blue
And high above
The moon was new
And so was love
This eager heart of mine was singing
Lover where can you be

You came at last
Love had its day
That day is past
You've gone away
This aching heart of mine is singing
Lover come back to me

When I remember every little thing
You used to do
I'm so lonely
Every road I walked along
I walked along with you
No wonder I am lonely

The sky is blue
The night is cold
The moon is new
But love is old
And while I'm waiting here
This heart of mine is singing
Lover come back to me

When I remember every little thing
You used to do
Honey I get oh so lonely
Every road I walked along
I walked along with you
Ain't no wonder I am lonely

The sky is blue
The night is cold
The moon is new
But love is old
And while I'm waiting here
This heart of mine is singing
Lover come back
Lover come back
Lover come back to me
Lover come back
Lover come back
Lover come back to me
Lover come on back
Lover come on back
Lover come on back to me
Come on back to me girl
Come on back girl
Lover come back to me
