

# Bryan White, Blindhearted

I made a promise to myself  
Never again  
To get burned by someone else  
Until you walked in

I felt the old magig again  
I felt the room startin' to spin  
As my will came tumbling down

Chorus:  
I can't help it if I'm blindhearted  
Fallin again  
I can't help it if my life has started  
Slowly cavin in  
And I keep on holin out for  
Oh, I guess I'm just a blindhearted fool

I've got to find a way to live  
On my own  
I need to find someone who'll give  
Me love that's strong

It's like a race against time  
Until your face enters my mind  
And you still  
Burn me to the ground

(repeat chorus)

Tell everyone to gather 'round  
They won't believe the view  
They're lookin at a blindhearted fool  
Over you
