

Bryan White, Call Me Crazy

You told me all I would need was a little time
But getting over you is still such an uphill climb
I know I ought to be living in the present tense
But the past I had with you was the last time my life made sense

Chorus:

Call me crazy - for hurting this way
Call me crazy - go on and say
It's a phase I'm going through
Call me crazy - crazy over you

I know you don't really mean to be so unkind
But pardon me if I'm not in the right frame of mind
To go on hearing how I should start all over again
Face the future without you -
I wouldn't know how to begin

(REPEAT CHORUS)

(bridge)

You say I'm lost in a fantasy
But what we had was real to me
Call me crazy

Go on and say
It's a phase I'm going through
Call me crazy - crazy over you
Call me crazy
