

# Bryan White, What Did I Do To Deserve You

Unbelievable  
Describes your smile so sweet  
Inconcievable  
That you're a part of me  
The innocent look in your eyes  
Love without compromise for me  
It's a mystery

Chorus:  
What did I do to deserve you  
Only god's hands could have made you  
And brought this dream to life  
Always swore that I would never fall  
I guess miracles happen after all  
And what did I ever do to deserve you

Unconventional  
It describes my love for you  
Unconditional  
Cause there's nothing I won't do  
I pray as this feeling grows  
That you'll always touch the heart and  
Soul of me  
It's a mystery

(repeat chorus)

Bridge:  
I've waited all my life  
To hold such a treasure  
What is this feeling worth  
There's no measure  
What did I do

You brought this dream to life  
Always swore that I would never fall  
I guess miracles happen after all  
And what did I ever do to deserve you  
To deserve you  
To deserve you
