

BT, Flesh(Tilts Going Home Mix)

Kiss me one last time

- one last time.

- one last time.

- one last time.

Ahhh - baby, I can hardly recognize myself. Hmmm - Touch me.

The light's just going blue.

Morning approaches.

The pain's still here.

I'm empty, empty, empty.

The sounds of the world,

Our laughter and tears.

I've nothing left.

I'm empty, empty, empty.

Heaven's forbidden but I'm going soon.

Kiss me one last time before I take my flesh away.

Heaven's forbidden but I'm going soon.

Kiss me one last time.

I won't waste no more time
flowing like water.

Strange I want that cause

I'm empty, empty, empty.

So now eat your words.

Hope you choke.

I feel nothing no more.

I'm empty, empty, empty.
