

# BT, Never Gonna Come Back Down

I'm just gonna shout this one, I'm just uhh, gonna gonna gonna gonna say this to the people, not so  
Donde esta los digits du DJ Rap?  
Bring the sound to the people in a white truck  
Bumpin' on the road bumps  
Run into a tree stump  
Tweeter out the back door  
Slam into the dirt lot, stopped  
With the cable runnin' out the backside  
Disco naked  
And if you had a chance-ah  
You wouldn't even stop denying  
Go talk to Anna Hand  
Go start the multiplyin'  
Owwwwwwwwwwwwwwwwwwwwwwwwwwwwwwww  
BlaaaaaaaaaaaaaAAAAAAAAAAAAAH!  
Green is like a boom to the what's dis non  
Diddy on dawn to the don don diggy dawn  
[repeat]  
Doubt'll be the fire of your delight  
But you're never gonna come back down - A halve  
The pop song on the five  
But you're never gonna come back down - To grab  
The t-shirt off the line,  
But you're never gonna come back down  
I think she's murderously sly  
But you're never gonna come back down  
But you're never gonna come back down  
But you're never gonna come back down  
But you're never gonna come back down  
But you're never gonna come back down  
We are here to save the ERF uhhh. E-R-F uh..  
Todd Berry Todd Berry I'm gonna pay you on a chorley rate, pay you on a chorley rate, rate, rate, r  
Oh when I woke up and got on the BMT  
I saw the boom shudap and that's fresh to me  
And they were scrawling on the window with wise-ass keys  
And they were driving out the lots in their Mercuries  
Green is like a boom to the what's dis non  
Diddy on dawn to the don don diggy dawn  
[repeat]  
If you had a chance-ah  
You wouldn't even stop denying  
Go talk to Anna Hand  
Go start the multiplyin'  
Doubt'll be the fire of your delight  
But you're never gonna come back down - A halve  
The pop song on the five  
But you're never gonna come back down - To grab  
The t-shirt off the line  
But you're never gonna come back down  
I think she's murderously sly  
But you're never gonna come back downwwwwwwwn  
But you're never gonna come back down  
But you're never gonna come back down  
But you're never gonna come back down  
But you're never gonna come back Downwnnn...  
He's the doom slinger, the dope beat stinger  
Sucka dj's they get stopped by a single finger...  
Huh!  
He's gonna bubble it up now. He likes to bubble it up, he likes to bubble it up, he likes to bubble it u  
Mr. BT, Mr. BT, Mr. BT, Mr. BT  
Please bring it up, bring it up, bring it up, bring it up  
Could you bring it up?  
Could you bring it up just a little more than that?  
Could you bring it up?

Could you bring it up?  
Could you bring it up just- could you bring it up?  
Could you bring it up?  
Could you bring it up?  
Could you bring it up?  
Say hallelujah peoples, say hallelujah oh yes!  
Yes, yes in the name, the name of, in the naaaaame  
In the name-ah  
And it was in my belly bitter  
But in my mouth-ah, it was-ah sweeter  
Doubt'll be the fire of your delight  
But you're never gonna come back down - A halve  
The pop song on the five  
But you're never gonna come back down - To grab  
The t-shirt off the line  
But you're never gonna come back down  
I think she's murderously sly  
But you're never gonna come back downwwwwwwwwwwn  
You understand? You know what I'm saying?  
Right on to the people up front  
Right to the people in the back  
Right on to the bartender  
Right on to the waitresses  
Right on to the DJ  
Right on  
Right on to the lady with the beer over there in the pink skirt  
Right on to all them mmmmmm English girls named Charisse...  
F\*cking blonde English girls with ghetto names, you know what I'm sayin?  
I love that shit  
And the seven udders uttered  
The seven unders thundered  
The seven thunders uttered  
The seven utters thudded, thudded, thudded, under, thudded under  
The seven thunders uttered  
Charisse-ah  
BT: F\*cking excellent man!  
DOUGHTY: That's what I do for a living
