

BT, The Force Of Gravity

Remember the words
We used to speak
The promises made
Have turned to all apologies

The weight of a storm
Our memories
Still you fly to fight
The force of gravity

I remember the days
I still could breathe
Now Im sinking beneath
The waves are
Crashing over me

The empty space that lay between
Is all thats left of where our love was meant to be

Do you cry your eyes
To sleep
Is it peace, you seek
At night when your bodys weak

Did it leave you with the scars
Of a war torn ravished heart
Do you cry your eyes.....to sleep?
