

# BTS (방탄소년단), Life Goes On

one day the world stopped  
without any warnings  
spring didn't know to wait  
showed up not even a minute late

streets erased of footprints  
i lie here , fallen to the ground  
time goes by on its own  
without a single apology

it looks like rain again today  
i am soaked to the bone  
still won't stop  
running faster than that cloud of rain  
thought that'd be enough  
guess i am only the human after all  
i am in the world of pain  
this cold the world gave to me  
prompts me to press the dust-covered rewind  
dancing off-beat laying on the ground  
once winter comes, let's exhale  
a warmer breath

there's no end in sight  
is there a way out?  
My feet refuse to move  
Close your eyes for a moment  
Hold my hand  
To the future, let's run away

Like an echo in the forest  
The day will come back around  
As if nothing happened  
Yeah, life goes on  
Like an arrow in the blue sky  
Another day flying by  
On my pillow, on my table  
Yeah, life goes on  
Like this again

Let me tell you with this song  
People say the world has changed  
But thankfully between you and me  
Nothing's changed

With the 'annyeong' that we start and finish the day  
Let us thread tomorrow with today  
Stopped for now  
But don't hide in the shadow  
Once again daylight will glow

there's no end in sight  
is there a way out?  
My feet refuse to move  
Close your eyes for a moment  
Hold my hand  
To the future, let's run away

Like an echo in the forest  
The day will come back around  
As if nothing happened  
Yeah, life goes on  
Like an arrow in the blue sky  
Another day flying by

On my pillow, on my table  
Yeah, life goes on  
Like this again

I remember  
I remember  
I remember  
I remember
