## Buck-O-Nine, King Of The Box

i am king of a little old thing i like to call my home it is nice cause i gave it life and i never feel alone

it's just a place where i can go that'll never let me down and when i'm in there i'm never scared and i never wear a frown

from inside i never hear the world and what's around me i've got no rules in my home and i've got nothin' to see

i live in a box-that's where i'll be i live in a box-that's what you see i'm the king of the box and it listens to me

(chorus:) it's just a place (3x) just a place that listens
