

Buck-O-Nine, On A Sunny Day

On a sunny day
I can see forever
On a sunny day
I used to dream for miles
Upon this hill, where we met
Under blue skies
She said goodbye
Left me behind
Now here I am

I should've won a purple heart
I would've got it overseas
I asked her would she be my bride
In my broken Japanese
But when I looked into her eyes
I knew that it could never be
She said goodbye
Left me behind
Now here I am

I should've seen it from the start
Before I went on bended knee
Her tattoo of a headless snake
Is that what she's suppose to be?
But if I had another chance
I wouldn't act so foolishly
She said goodbye
Left me behind
Now here I am
