## Buck Owens, After You Leave Me

(Doyle Holly)

After you leave me, after you're gone I'll sit here crying so blue and alone And when the door closes I'll close my heart too

After you leave me what will I do After you've taken the beat of my heart After you've torn my world all apart My life will be worthless here without you After you leave me what will I do

--- Instrumental ---

After you've taken...
