Buck Owens, Blue Christmas Lights

by Buck Owens and Red Simpson

(Excuse me Miss but do you have any) Blue Christmas lights For my Christmas tree I want some blue Christmas lights Just as blue as me

The one I love has set me free But I still got her memory Give me blue Christmas lights For my Christmas tree

(Pardon me but do you have any) Blue Christmas lights Blue they've gotta be Blue Christmas lights For that's how you left me

Although sweetheart you're far away I'll kiss your picture Christmas Day Under blue Christmas lights On my Christmas tree

--- Instrumental ---

The one I love has set me free But I still got her memory Give me blue Christmas lights For my Christmas tree

I'll have a blue Christmas 'Cause you're not here with me...
