

# Buck Owens, Christmas Ain't Christmas Dear Wit

by Buck Owens and Red Simpson

I heard no Christmas carols  
As I walked down the street  
I heard no Merry Christmas  
From people I'd meet  
It seemed you've made  
The whole world blue  
Christmas ain't Christmas  
Dear, without you

I talked to a snowman  
And to my surprise  
When I spoke of you  
He started to cry  
Now that's pretty sad  
To see a snowman  
Turn blue  
Christmas ain't Christmas  
Dear, without you

--- Instrumental ---

No Christmas ain't Christmas  
Since you went away  
And now it seems like  
Just any other day  
Yes, you turned  
My whole world blue  
Christmas ain't Christmas  
Dear, without you...
