

Buck Owens, Cotton Fields

When I was a little bitty baby
My mama would rock me in my cradle
In those old cotton fields back home
When I was a little bitty baby
My mama would rock me in my cradle
In those old cotton fields back home

Oh, when those cotton ball get rotten
You can't take very much rockin'
In them old cotton fields back home
It was back in Louisiana
Just about a mile from Texarkana
In them old cotton fields back home

In those old cotton fields back home
In those old cotton fields back home...
