

Buck Owens, Happy Times Are Here Again

Happy times are here again
Ain't felt like this since I don't know when
Baby's comin' in on the 12-0-10
Happy times are here again.

Well, now I'm like a bird in the morning sun
I'm like a bee in the honey comb
I'm like a child on Christmas morn
Happy times are here again.

No more sleepless nights, so long
No more walking the floor till dawn
Hugs and kisses from now on, hey
Happy times are here again.

Happy times are here again
Ain't felt like this since I don't know when
Baby's comin' in on the 12-0-10
Happy times are here again.

Oh baby, happy times are here again...
